

# RepRisk for Legal and Compliance

## Your third-party due diligence solution

### Use RepRisk to integrate ESG and business conduct risks in due diligence and compliance processes

- Conduct ESG-related due diligence of your partners, facilities, and projects
- Integrate ESG and business conduct risk assessments in your Know-Your-Partner (KYP) procedures
- Assess partner and project compliance with internal policies and international standards
- Identify and map ESG risks at the country and sector level

### RepRisk solutions help reduce blind spots and shed light on human rights, labor, environmental, and corruption risks

#### RepRisk ESG Risk Platform

- Stand-alone Software as a Service (SaaS) with easy online access at any time, from anywhere
- In-depth risk research on individual companies, projects, sectors, and countries with the world's largest due diligence database on ESG and business conduct risks
- Ongoing risk monitoring via customizable Watchlists and an email Alert Service

#### RepRisk Data Feed

- Customized exports of our risk metrics and analytics integrated into your internal risk management and compliance systems
- Systematic screening and monitoring of ESG and business conduct of your partners
- Automated flagging of higher-risk partners and projects via tailored flags

### RepRisk works with the world's leading multinationals

### Why RepRisk?

- **Exclusive focus on risks** from an outside-in perspective – looking beyond policies to assess a company's actual on-the-ground performance
- **Daily-updated data**, providing timely and actionable information for decision-making
- **Universal coverage**, including listed and unlisted companies of all sizes, sectors, and countries, including emerging and frontier markets
- **Coverage of facilities and projects** such as mines, pipelines, dams, ships, and ports
- **Leveraging big data** via a powerful combination of artificial intelligence and human analysis in 20 languages

RepRisk enables compliance with internal policies and international standards
