

# RepRisk for Private Equity

Your daily-updated risk overlay for ESG integration

## Use RepRisk to identify, assess, and monitor ESG and business conduct risks in your investment portfolio

- Apply RepRisk in your investment analysis framework to meet the PRI requirement for ESG integration
- Perform in-depth pre-investment due diligence of the ESG and business conduct risks of a company based on RepRisk's unique outside-in view of the company
- Conduct ongoing screening and monitoring of your investments to check compliance with internal policies and international standards

## RepRisk solutions help reduce blind spots and shed light on human rights, labor, environmental, and corruption risks

### RepRisk ESG Risk Platform

- Stand-alone Software as a Service (SaaS) with easy online access at any time, from anywhere
- In-depth risk research on companies, projects, sectors, and countries with the world's largest due diligence database on ESG and business conduct risks
- Ongoing risk monitoring via customizable Watchlists and an email Alert Service

### RepRisk Data Feed

- Customized exports of our risk metrics and analytics integrated into your internal risk management and compliance systems
- Systematic screening and monitoring of ESG and business conduct risks in your investment portfolio
- Automated flagging of higher-risk companies via tailored flags

## RepRisk works with the world's leading private equity firms

## Why RepRisk?

- Exclusive focus on risks** from an outside-in perspective – looking beyond policies to assess a company's actual on-the-ground performance
- Daily-updated data**, providing timely and actionable information for investment decision-making
- Universal coverage**, including private companies (more than 85,000), and public companies of all sizes, sectors, and countries, including emerging and frontier markets
- Unbroken time series** with 10+ years of data
- Leveraging big data** via a powerful combination of artificial intelligence and human analysis in 20 languages

RepRisk enables compliance with internal policies and international standards
