RepRisk for legal and compliance

Your third-party due diligence solution

- ✅ Integrate business conduct risks in due diligence and compliance processes
- ✅ Conduct due diligence of partners, facilities, and projects
- ✅ Embed business conduct risk assessments in your Know-Your-Partner (KYP) procedures
- ✅ Identify and map business conduct risks at the country and sector level
- ✅ Assess partner and project compliance with internal policies and international standards including the UNGC, UNGPs, SASB, and SDGs

Why RepRisk?

- ✅ **Focusing on the conduct of companies** as reported by 150,000+ public sources and measured by various business conduct risk standards
- ✅ **Daily data updates** on 108 business conduct risk factors with data history since 2007
- ✅ **Leveraging big data** via a powerful combination of AI and machine learning together with 150+ analysts in 30 languages for early risk detection
- ✅ **World's largest business conduct risk coverage** of 330,000+ public and private companies across all sectors, and regions, including emerging and frontier markets
- ✅ **Coverage of facilities and projects** such as mines, pipelines, dams, ships, and ports
