

# RepRisk for CSR and Sustainability

Your benchmarking and research tool on ESG risks

## Use RepRisk for peer benchmarking, reputational risk management, and stakeholder engagement

- Monitor your own company's ESG and reputational risk exposure and conduct peer benchmarking
- Research ESG issues and trends for policy development, internal communications, and management reporting
- Conduct country and sector research and analysis
- Support stakeholder management such as NGO monitoring and engagement, and relationships with sustainability index providers including the DJSI, FTSE4Good, and CDP, which use RepRisk data in their corporate assessments

## RepRisk solutions help shed light on human rights, labor, environmental, and corruption risks

### RepRisk Company Reports

- PDF Research report about the ESG risk exposure of one specific company
- In-depth analysis through a combination of quantitative data (risk analytics and metrics) and qualitative research, including 10+ years of data history
- Available for purchase directly from the [RepRisk Website](#) as a PDF

### RepRisk Benchmarking Briefs

- Corporate benchmarking report assessing a company's exposure to ESG risks and benchmarking it with a customized peer list
- Supports management and board reporting, as well as internal communication on ESG issues
- Available for purchase directly from the [RepRisk Website](#) as a PDF

### RepRisk Essential Your managed solution

- Checks subsidiaries, suppliers, business partners, competitors, and investment portfolios for compliance with internal policies and international standards
- Informs on a need-to-know basis about risk incidents relevant to a company's operations, identified through daily monitoring
- Provides full visibility and control, thanks to customized and comprehensive reports

## RepRisk works with the world's leading multinationals

## Why RepRisk?

- **Exclusive focus on risks** from an outside-in perspective – looking beyond policies to assess a company's actual on-the-ground performance
- **Daily-updated data**, providing timely and actionable information for decision-making
- **Universal coverage**, including listed and unlisted companies of all sizes, sectors, and countries, including emerging and frontier markets
- **Coverage of 28 ESG issues and 57 ESG "hot topics"** to help you track trends and developments
- **Leveraging big data** via a powerful combination of artificial intelligence and human analysis in 20 languages

**RepRisk enables compliance with internal policies and international standards**
