

## RepRisk nominated as a finalist for the OG25 2011 Innovative Green Start-up Award

RepRisk is pleased to announce that it was nominated as a finalist for the OG25 2011 Innovative Green Start-up Award in the US. The 3rd annual green startup competition recognized twenty-five of the most innovative eco-startups. OG25 Innovative Green Startup finalists were showcased on November 11 at the Annual Opportunity Green Conference, held in Los Angeles.
