

FOR IMMEDIATE RELEASE

ECOFACT sets up Consulting and RepRisk Business Units

Zurich, January 8, 2010 – To ensure full focus on both the consulting and RepRisk business areas, and to avoid any conflicts of interest, ECOFACT has set up two corresponding business units with fully dedicated teams. Olivier Jaeggi, Managing Partner, will lead the consulting team and Philipp Aeby, Managing Partner, will lead the RepRisk team. Raul Manjarin will continue to be in charge of international EDDs within the consulting business unit. Within the RepRisk business unit, Luca Bortolani will head Product Management, Charlotte Mansson will head Sales & Marketing, and Nicole Streuli-Fürst will head Operations. Irina Jung is the Representative for Switzerland and Key Account Manager for financial data providers, Sharon Maharg is the Representative for the Americas, and Responsible Research is our distribution and research partner for the Asian-Pacific region.

About RepRisk

RepRisk is the leading provider of business intelligence on environmental, social and governance (ESG) risks. Born as a due diligence tool for the financial sector, RepRisk runs the most comprehensive database on the ESG risks related to companies, projects, sectors and countries.

On a daily basis, RepRisk systematically collects and analyzes criticism, controversies and negative incidents related to an unlimited universe of companies and projects worldwide. It does so in 14 languages from thousands of public sources and third parties including international and local media, government agencies, NGOs, newsletters, blogs and more.

The RepRisk database currently includes information on over 43,000 companies, 10,000 projects, 7,000 NGOs and 5,000 governmental bodies. These numbers are continuously growing as relevant ESG information is added.

RepRisk data supports transparency, ensures compliance with internal and international standards, and equips the user with material and actionable information that supports decision-making. The use of RepRisk business intelligence allows companies and financial institutions to proactively assess ESG

issues that may present financial, reputational and compliance risks. For more information, please visit: www.reprisk.com.
